EU Skills Profile Tool for Third Country Nationals

What is it?

A **free online tool** intended for use by any services **offering assistance to refugees and migrants from non-EU countries** (third country nationals) to map their skills, qualifications and experiences and give them personalised advice.

Designed as a **questionnaire**, the EU Skills Profile Tool helps identify a person's existing skills, what **qualifications** could be formally recognised, and what **additional skills** are needed. It is a first step to guide third country nationals towards training, education or employment.

Main users

- Reception centres
- Employment assistance services
- Education and training advisers
- Integration services
- Civil society organisations offering services to refugees

Key features

-  **Multilingual**
Available in EU languages, Arabic, Farsi, Pashto, Sorani, Somali, Tigrinya and Turkish.
-  **Two languages display**
To reduce language barriers between migrants and case workers.
-  **Customisable**
The questionnaire can be tailored to local needs
-  **Exportable**
Completed profiles can be exported in XML, PDF, Excel and Word format and can be easily integrated into existing databases.

“

The Skills Profile Tool is very important for the Employment Services in Slovenia, because we use it to set employment goals for refugees.

”

Nina Marin, Public Employment Office
Counsellor, Slovenia

“

With the Skills Profile Tool you can easily classify your skills, so that an employer knows you better.

”

Navid Ahmad Somali, Iranian refugee in
Slovenia

“

It makes the skills of the people visible. It also raises their level of confidence.
